

months amp motown  
musical favorite chorus written  
released guitar songwriting  
american actually though postman years  
half beethoven track much child strong  
harmonies money long little won singles  
think say till george quite thing  
people man still just time later originals  
sound better really songs cover mister  
always classic way good ever fact roll music  
take vocals lot like please con. first pretty  
mccartney tracks made john rock fun  
never bad john even band hit work two 1963  
show recorded band debut tune que stones big heart love also don one great covers well another  
twist want sounds best record pop loving harrison although point single  
step vocal early paul cantight nice many see  
something version back devil kind  
rhythm berry rather group highlights
